Care Management includes:

- regular assessments of your needs, goals and preferences
- reviews of your home care agreement and care plan
- ensuring your care and services align with other supports
- partnering with you and your family or carers about your care
- ensuring your care and services are culturally safe
- identifying and addressing risks to your safety, health and well-being

Package Management includes:

- helping you to establish and manage your budget
- coordinating your services (such as scheduling services and workers or arranging respite care)
- preparing invoices and monthly statements
- responding to enquiries about invoices
- organising third party services
- buying equipment (such as mobility aids)
- arranging allowable home modifications (such as bath rails)
- submitting claims to Services Australia
- maintaining and updating income tested care fee and basic daily fee payments
- paperwork for ceasing care
- storing and maintaining your records
- ensuring staff are suitable (such as with police checks and immunisation checks)
- training and educating staff
- conducting quality improvement, compliance, and assurance activities
- completing financial reporting
- maintaining COVID-19 vaccination compliance documents.

Prices are GST Exclusive – GST does not apply to Burnie Brae Home Care Package services.
